Community Connection

This year Donaldson Farms is looking for your creativity! Each spring we design our yearly corn maze around a theme, donating one dollar of every entry into our Fall corn maze to a local charity. This year, our family and staff have selected to support *Tomorrows Children's Fund (TCF)* out of Hackensack Medical Center, a nonprofit organization that has been helping children who are fighting pediatric cancer or a serious blood disorder for over 35 years. During this time, they have achieved countless milestones and have many essential financial and emotional support programs in place for both the patient and their family. TCF offers a supermarket gift card program, a fully-stocked food pantry, provides emergency financial aid and transportation, along with many other forms of assistance. This fund, founded by a group of committed parents who wished to help their children and others like them with cancer and serious blood disorders, believes that all children should dare to dream and refuse to accept that anything is impossible! Here at Donaldson Farms we thought what better way to support these children than with a corn maze designed by a child?

Attached you will find a corn maze design contest form. If you wish to submit a design to our 2018 corn maze design contest, please complete your design using the attached entry form. All entries must be post marked if using US Mail by 6:00 pm on Sunday, May 20th 2018. Entries may also be dropped off at our farm market. Please be sure to include your contact information on the corn maze design contest form so that we may contact you if your design is selected as the winning design for our 2018 corn maze!
